"Gain valuable insights into sales trends and revenue with our powerful reporting tools".

Technology & Innovation Powered Distribution!

"Enhance your business growth and discover new opportunities".

Scalable Solution

Our scalable solutions, built on AI-powered models, enable you to broaden your horizons.

Insights

You will gain valuable insights into your sales trends and revenue generation through our robust reporting tools. Simplify the entire order management process.

Growth Engine

Dealers can place orders effortlessly, and your sales force can track their order status in real-time. Track the performance of your dealer network and sales force, and design rewards that match your business goals.

Loyalty

Establish a brand loyalty program for your partners to strengthen your market presence.

Gain 360° - Visibility & Control

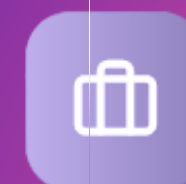

Sales Connect

We understand the challenges brands face in sales and distribution management. Our comprehensive solutions streamline operations and increase revenue with real-time order processing, inventory tracking, performance analytics, incentive management, seamless communication, route optimisation, and customisable stakeholder access.

Dealer Connect

A Dealer & Distributor Management platform streamlines order processing, inventory tracking, performance analysis, and communication for managing your dealer network. Probiz Connect provides detailed analytics and reports to identify top-performing dealers, enabling you to reward and motivate your dealer, distribution and retailer network.

Employee Connect

At Probiz Connect, we understand the vital role field sales and distribution teams play in boosting revenue and fostering lasting customer relationships. That's why we've created a comprehensive empowerment solution that equips your team with the tools and technology to excel, while providing powerful reporting tools for valuable sales and revenue insights.

Partner Connect

By leveraging influencers and rewarding loyalty programs, your brand can excel in a competitive market and leave a lasting impression on customers and partners.

Reward Schemes

You can design rewards that match your business goals, choosing between points-based rewards or instant cash incentives according to your partner engagement strategy.

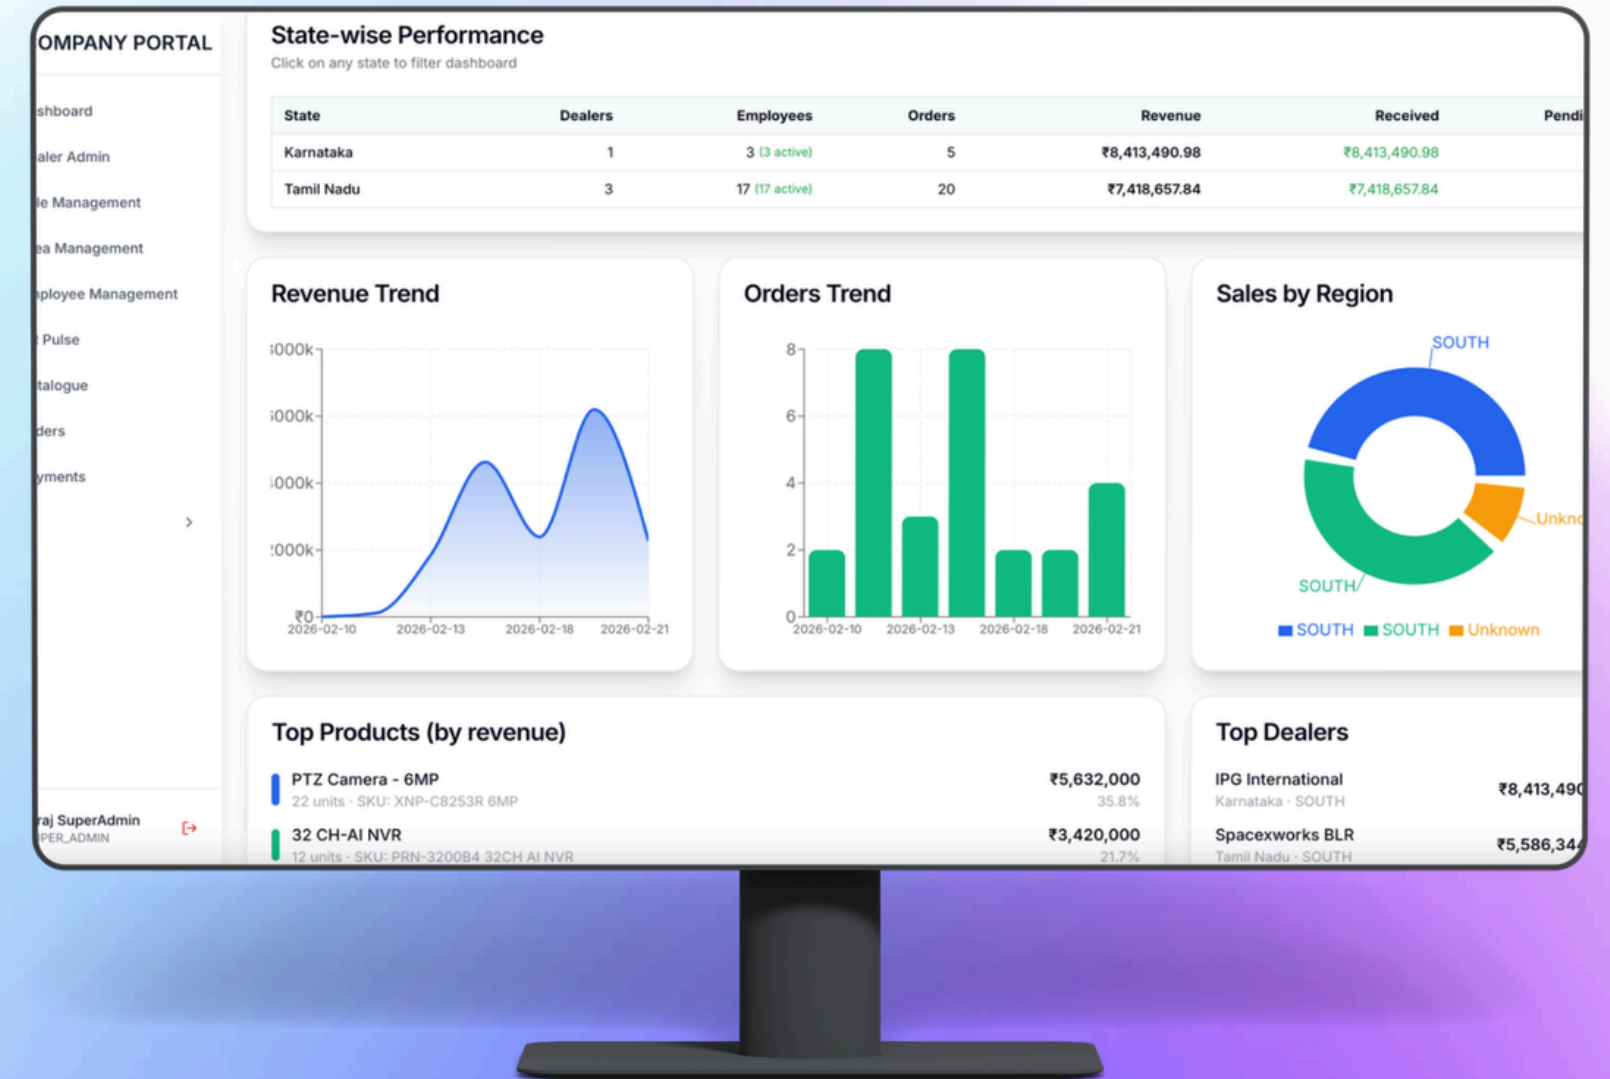

Loyalty Program

Easily establish a brand loyalty program for your partners to strengthen your market presence. Reward points for actions like scanning coupons inside products.

Transform Your Sales Operations

Powerful Analytics & Reporting

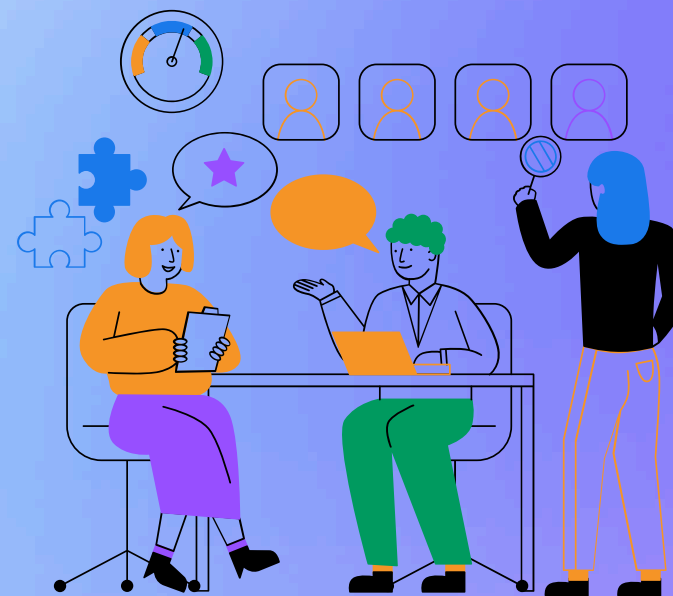

Gain valuable insights into sales trends and revenue with our powerful reporting tools. Make data-driven decisions that drive growth and optimize performance.

Key Highlights

- ✓ Advanced sales analytics & revenue insights
- ✓ Performance tracking with incentive & reward programs
- ✓ Instant communication between brand and dealers

With Dealer Connect, businesses gain complete control over their distribution network, improve partner engagement, and accelerate revenue growth through data-driven decisions.

Dealer Connect

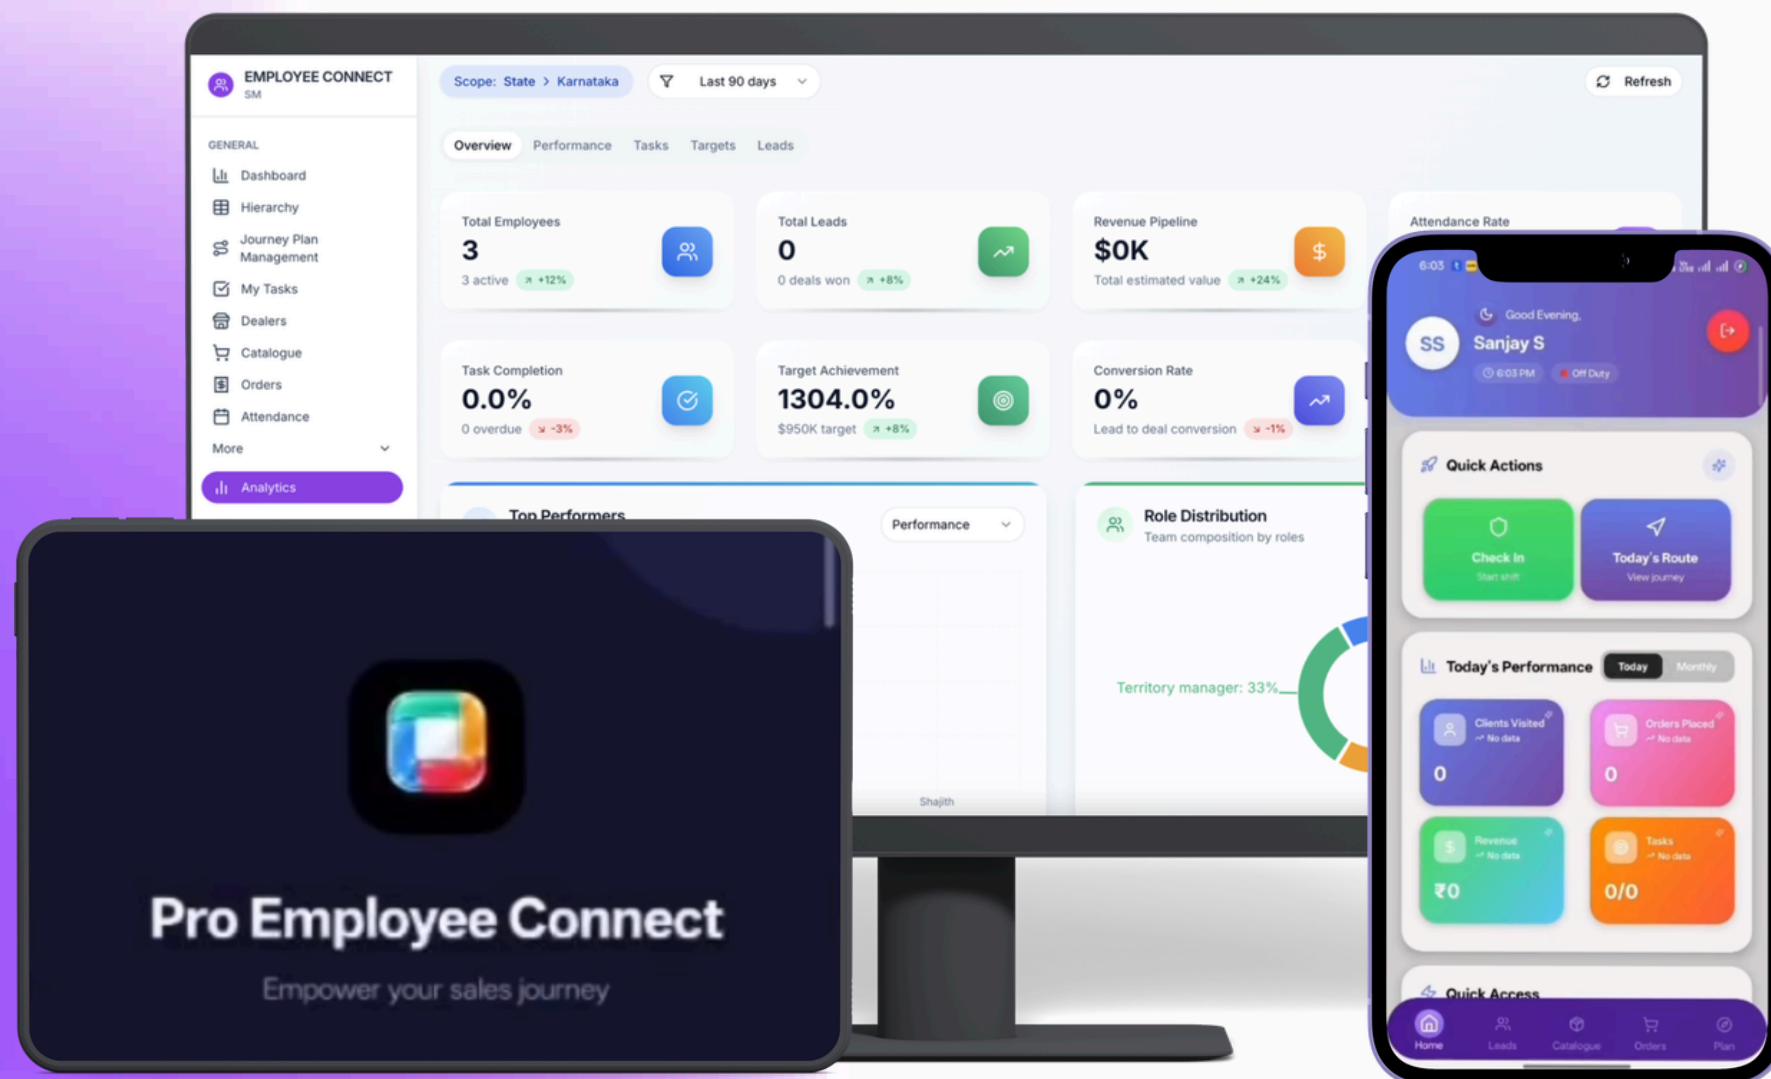

Empower Your Distribution Network. Drive Smarter Sales.

Dealer & Distributor Management Platform

Dealer Connect is a powerful dealer & distributor management solution designed to bring your entire channel ecosystem onto a single, unified platform. It enables seamless collaboration between your business and its dealer network while improving operational efficiency and sales visibility.

Employee Connect

Empower Your Sales Team. Maximize Field Productivity.

Employee Connect is a robust sales force automation and workforce management solution designed to streamline field operations and enhance team productivity. It enables real-time attendance and location tracking, intelligent route planning, and efficient lead and pipeline management. With instant access to customer data, optimized territory coverage, and performance analytics, it empowers sales teams to work efficiently and close deals faster, while providing management with complete visibility and control over operations. Additionally, it improves collaboration between teams and ensures faster decision-making through real-time insights. Its scalable and user-friendly design makes it ideal for businesses looking to optimize performance and drive consistent growth.

Partner Connect

**Build Stronger Partnerships.
Expand Market Reach.**

Partner Connect enables seamless collaboration with channel partners, influencers, and retailers—helping businesses expand their market presence while maintaining complete operational control.
